

# VENTURE HOME MINISTRY

## HUA-HIN, THAILAND

Noot, Pa Mam, Flora, and Pa Git

One of the things we love about serving and living in Thailand is that we get to see God's hand at work all around us. Pa Mam is a 76 years old grandmother who lives on the outskirts of Hua-Hin town. She lives in a wooden traditional Thai style house by herself. The house has no running water. Its walls and floors are full of gaps. There's no air conditioning or heating unit. Even without the convinces of a regular home she still praises God for what she has. Because of her health and lack of transportation she is unable to attend church service on Sundays. So, we brought "church" to her. The look of joy and excitement on her face

when 15 of us showed up on her front steps was priceless. She told us that she had been praying for someone to come and visit her because she was feeling lonely and she thought that

everybody had forgotten about her. "God answered my prayers in a big way" She said grinning from cheek to cheek

(in Thai of course).

We sang worship songs and held a bible study at her house. She served us fruits and drinks afterwards. We will never forget her kindness and her genuine love for the Lord. We promised her that we would visit her again soon. Seeing this woman of God and her living conditions showed us that we don't need much in this world as long as we have Jesus Christ we should have contentment.

The children center at Pala-U had several new students enrolled into the center. It now houses 50 kids from ages 6 through 18. They are building a new girls dorm and it should be completed soon. We visited the center just a week before the start of the new school year. Everyone was excited to see us and we made some new friends. Flora taught the kids to sing "This little light of mine" and I shared a bible story with them. These kids are amazing and to see how they care for one another is an example of how we as brothers and sisters in Christ should care for each other. They may not have a lot but what they do have they share it willingly with each other. You can check out [www.connect3e.org](http://www.connect3e.org) for more information about the center.

Our girls are doing GREAT! They have adjusted well to life in Thailand. They are learning the language and even have made some Thai friends. Eve (our 3 year old) is using her Thai all the time. Sometimes she will even speak to Flora in Thai. She even sings worship songs in Thai. It's wonderful to see our girls doing so well. Thank you for all of your prayers for them. They love getting letters from back home, so if you have the time please write to them. It would mean a lot.

#### **Praise Report:**

Two churches have pledged to financially support us. Ruamjai International Church in San Diego, CA and Iglesia Templo de Alabanza in Jacksonville, FL.

#### **Prayer Request:**

Above all that we would put God first.  
God's peace would fill Thailand.  
Timothy's House would be completed soon.

***Thank you for your continued prays for our ministry here in Thailand.  
May God bless you and your family!***
