

VENTURE HOME MINISTRY

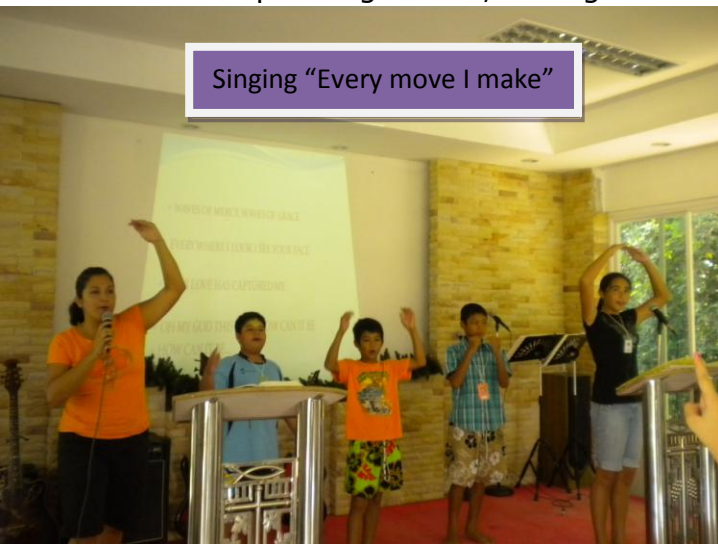

HUA-HIN, THAILAND

Our high school group

It's summer break here in Thailand for the school kids. Flora and I wanted to do something for them while they were out of school. So, we opened our first summer English camp at Cornerstone Church. We had 30 students attending. The class was split up into two sessions. The first session was for the younger kids and the second session was for the high school kids. We even had two adults attending the high school session. Flora incorporated worship music and dancing into the lesson. The kids really got involved with the worship music. It's such a blessing to see them singing praise songs. I have to

admit at first we were reluctant in incorporating worship into the lesson. But, then we told ourselves that they know that this is a Christian church and we are Christians, so why not add worship into the lesson. We even had the high school kids and adults singing Indescribable by Chris Tomlin. We also taught the kids some American games, like heads up seven up and Simon says. Everyone said they had a good time learning English with us and wants us to continue the class year round. At times the long days took a toll on us but our family spirits were lifted every time we would hear a Thai kid using what they have learned to talk to us. God has equipped and gifted each one of us with a special gift. As a family we are learning and discerning what God has equipped and gifted each of us with. There could not be a better way to learn this than when God puts you to work. Hebrews 13:21 "...God...equip you with everything good for doing his will, and may he work in us what is pleasing to him, through Jesus Christ, to whom be glory for ever and ever. Amen."

The kids working hard

With our English camp in full swing, we would ask the kids what they have done on their summer break. Almost all of them would say they did not do anything or go any where. Their family either did not take vacation because of the lack of money or their parents just could not afford to take the time off of work. This touched our hearts. God has always been there for us financially and He will always provide. Flora and I began to pray for a way for us to take these kids somewhere for their summer break. God answered our prayers and gave us the funds to be able to take 22 kids on the trip they will never forget. We rented two vans and headed to Dream World in Bangkok. It's like Six Flags except a whole lot smaller and much less expensive. Out of the 22 kids we took only 3 of them had been there before. You can just imagine there faces when they saw the park and its roller coasters. They wanted to go on everything. We enjoyed watching them ride all the big rides. Some of the rides got them sick, but they didn't let that stop them from going on the next one. I think it's because they knew that this was their one and only chance to go on it. We will never forget the look of joy on each of there faces and the laughter and excitement when they tell us how much fun they had.

Our Dream Team

Wearing matching "Jesus loves you" shirts

Please help us pray for this 13 year old boy. His nickname is Arm. His father past away a few years ago and his mother does not want him. He lives with his grandmother in Eastern Thailand. His aunt (who is a member of our church) asked to have him for the summer. We have gotten close to him and he has brought great joy into our lives. He has a great personality and the kids look up to him. He is kind, gentle, and very respectful to the adults. When he left us this past Sunday, he cried and said that he loved us.

Arm

We told him that the love he felt is not only from us but from God. It is true love of God that he has never felt before in his life. Pray with us that he will come to know the love of Christ even more and that one day he will live his life to serve God.

Thank you for your continued prays for our ministry here in Thailand. Timothy's House is 90% completed and we will start a mid week service for the kids, pray that God will use it for His glory. May God bless you and your family!
