VENTURE HOME MINISTRY

HUA-HIN, THAILAND

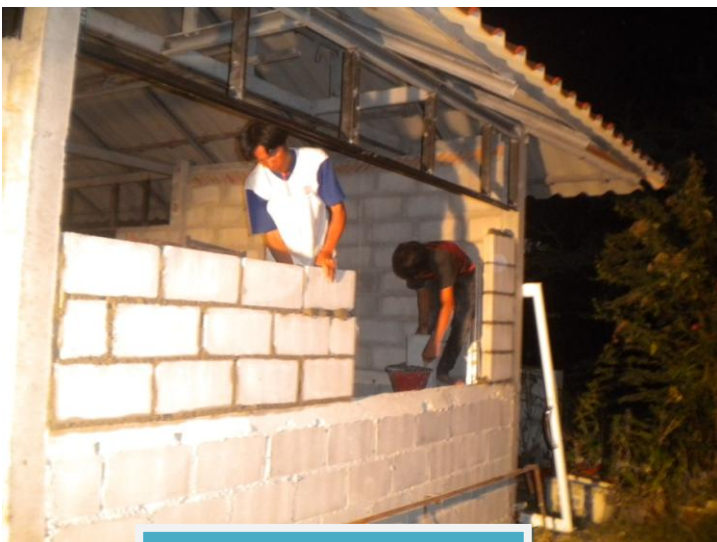

Timothy's House (September 2009)

Timothy's House (March 2010)

Thanks to all of our prayer warriors out there! The church received a generous donation from our Norwegian friend to fund the rest of the construction project. Timothy's House will now have air conditioning and with temperatures in the 100's in the summer we will need it. The plan is to officially open it on April 5, 2010.

Working through the night

Getting ready for flooring

Can you believe it's been 6 months since we've touched down here in Thailand? We are amazed to see how well we are adjusting to living here. Life here is not perfect and we do have our moments of tough

adjustments, but it's about how we face each situation that makes us who we are. We pray and then wait for God to see us through it. We are especially proud of our girls and their willingness to learn and try new things. They know why we are here and that's the driving force behind their contentment. We can laugh at all the different situations we've been in and looking back they were all meant to make us more appreciative of what we have. Even though we are still in a two bedroom condo and a very tight living space we have a lot more than most of the normal Thai people have.

"I am praying for you."

Those 5 words are the most beautiful things we love to hear from you.

How do you know your prayers are being heard all the way on the other side of the world? We are here to tell you they have been heard! Our vision is to start an orphanage here in Thailand. That vision is becoming a reality through your constant and passionate prayer for our ministry. **James 5:16 "The effective, fervent prayer of a righteous man avails much."** Those intercessor prayer warriors help us to overcome many difficulties and trials to get to where we

are today. Timothy's House and Compassion International will be our building blocks to "Venture Home" orphanage. We have a piece of land where we can build the orphanage. It is on the church grounds and the pastor has also had the same vision. This is just confirmation to us that God's hand is at work here. How can you help? Pray specifically for the funding to start the building project. We will need a total of \$60,000.00 for the two story building that will house 24 children. Our ministry is fruitful and will flourish because of your continued prayer for us, liberally giving financially, and practical help.

May God bless you and your family!

We are currently 2/3 to our goal for full funding. If God has put it in your heart to give to our ministry then don't wait. Your finances will help us live and serve here in Thailand to reach the Thai people for Christ. Your \$25.00 a month gift goes along ways here in Thailand. Please remember to pray for us as we are also praying for you.
