

VENTURE HOME MINISTRY

HUA-HIN, THAILAND

Home is what you make it! That is definitely true here in Thailand. We have a saying when something goes wrong here – “Well, you’re in Thailand”. That means the things that we are used to and are accustomed to in America are not necessary going to be provided for here in Thailand. For instance, our home has a kitchen in the back patio. It’s like camp cooking everyday. The bathroom is all tiles because the shower and toilet are all in the same area. So, when you shower the whole bathroom gets wet. But, it is easier to clean..... just take a hose to the whole place and you’re done.

Our work at Cornerstone Church has begun. Flora is now teaching the kids Christmas music for a Christmas program that the church will be putting on at the local mall. The pastor is teaching all of us the “Christian” Thai words and we are working on our Thai reading and writing. I’ve been out ministrering with the pastor on house calls and have helped him with the building project. We will be done with Timothy’s House by November 29th. Flora and I will be running the children programs as soon as the building is completed. God continues to do amazing work here.

Praise and Prayer report :

Praise God for new friends. We met a missionary family from New Zealand. They have been serving in Thailand for over 6 years. Both of their kids speak fluent Thai and are attending Thai school. We hope to visit their ministry soon.

We are still in need of a car. Please pray that we will find a good working vehicle that fits our budget. Continue praying for God to bring people who believe in our ministry and will support us prayerfully and financially. Together we can help extend God's love to the lost people of Thailand.

**Thank you for your continued prayers and support.
May God bless you and your family.**
